PETITIONS OFFICE

Office of Petitions  
Assistant Commissioner for Patents  
Box DAC  
Washington, D.C. 20231

Dear Sir:

The above-identified application became abandoned for failure to file a timely and proper reply to the Office Action dated April 24, 2001. The date of abandonment is the day after the expiration date of the period set for reply in the Office notice or action plus any extensions of time actually obtained. Applicants hereby petition for revival of this application under 37 CFR 1.137(b). Applicants have enclosed a copy of the complete response that was filed on July 8, 2002.

At this time, Applicants respectfully request a refund for the fees of \$1660.00 that were paid on October 24, 2001. The fees that were paid on October 24, 2001 were fees for filing a CPA. Since the CPA was improper, Applicants authorize the Commissioner to apply the fees of \$1660.00 to this petition to revive, which requires a fee of \$1280.00.

If for any reason that the previous fees can not be applied to this petition, or there are any additional fees, the Commissioner is hereby authorized to charge the fees to the Account No. 06-2375, Order No. 09306611.

25230014.1

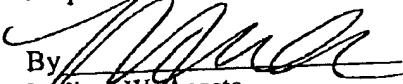

Since this utility application was filed on or after June 8, 1995, Applicants do not believe that a terminal disclaimer is required.

The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137 (b) was unintentional. Applicants respectfully request that this petition be granted and the above referenced application be revived.

Dated: November 8, 2002

Respectfully submitted,

By
